First thing we are going to talk about:	
Welcome	A welcome to all new school council members. The role of a school council member was discussed and badges were provided to all members. The council understood their roles. John gave further suggestions regarding their role: <ul style="list-style-type: none"> • make our school a better place • attract future students and their parents/carers • lead by example
School Rules	Mr Hart asked the school council members if they were able to recall the school rules. The council was confidently able to list SAFE, READY & RESPECTFUL as our school rules. Mr Hart asked the council for examples of how pupils can show they are SAFE, READY & RESPECTFUL. This will be developed at our next meeting. The council members were asked to talk to their classes about our school rules and how they can be demonstrated around school.
Would anybody like to mention anything else?	

John - Suggestions for school improvement	John had asked his class for some examples of how our school could become a better place. He shared the list with the council. Mr Hart suggested that school improvement ideas could be explored further during future meetings once all classes had been involved in offering suggestions.
