Is anyone not able to attend the meeting?

The meeting had fewer members today due to a trip being on. The members who were not on the trip were able to attend.

Has everyone seen the minutes from the last meeting?

Yes they are published on the school website.

Are these minutes OK?

Yes everybody agreed on the minutes. Actions had been taken since the last meeting around wellbeing. The school have acted on improving healthy eating by organising a lunch in the hall for each pupil per week. Breakfast club has also been set up to ensure pupils have healthy breakfast options each day.

Events organised:

Anti Bullying day has been organised to tackle some issues from the previous meeting. The council agreed this was a step in the right direction and they are going to provide feedback on the event. They are also going to conduct a survey before the event to gather data

Dinosaur Day has also been organised following the councils suggestions for events in school.

First thing we are going to talk about:

Socials:

The council discussed the new socials following their survey. They agreed there was now a better option. They still thought there could be some better options which pupils with 'all golds' could access.

They spoke about a common room being set up to put the pool table in. They agreed this would be a good 'gold' option.

<p><u>Break times</u></p> <p>We discussed issues that happen at break and lunch time and that some pupils may fall out during these times. The lower school said that having the sensory garden is good for them because they have something to focus on. Upperschool said they would like to see improvements to their outside space. Year 8 said they would like to see the development behind the mobiles actioned. They would like a climbing area and tires.</p>	<p>The council are going to write a letter to the headteacher to request the updates to the outside spaces.</p>
<p><u>Strategies</u></p> <p>Some council members requested to talk about strategies. They all agreed that some pupils were not using their strategies effectively.</p>	<p>Staff are going to relook at strategies and change them if they are not being used effectively.</p>
Would anybody like to mention anything else?	
<p><u>Eco School</u></p> <p>The council discussed progress towards Eco School and had suggestions to work toward environmental action.</p>	<p>They are organising a litter pick day to clean up the school.</p>
<p>Date of next meeting?</p> <p>01/04/2022</p>
