

ACT OF REMEMBRANCE BRINGS SCHOOL TOGETHER

Our Remembrance service is a very important part of our school year. Pupils have been learning about why we have remembrance this week and all have made poppies to display on our collaborative outdoor display. At the heart of our events was the two minutes of silence at the eleventh hour of the eleventh day of the eleventh month. The whole school gathered outside to join together to pay their respects. The last post was played and all pupils were respectful throughout the silence. Ruby in year 7 wore an army uniform and spoke to pupils about her foster father's time in the army. Everyone was very interested and took the time to admire the medals she wore.

'We will remember them.'

Lest We Forget

COVID UPDATE

We know that there are many coughs and colds about at the minute, so please be extra vigilant. The latest figures show that rates of infection on the Wirral are still high but have gone down since last week.

In order to keep the school and local community safe, we are encouraging all our staff and pupils to continue to do the Lateral Flow test at home. If you require LFT please let your teachers know as we can supply you with some.

If your child has a temperature, a sore throat or stomach upset please do not allow them to attend school until they have had a negative PCR test.

Anyone with COVID-19 symptoms or a positive test result should stay at home and self-isolate immediately.

If you have symptoms of COVID-19, you should arrange to have a PCR test as soon as possible. This still applies even if you have received one or more doses of COVID-19 vaccine.

Stay Safe & Healthy
