<b>First thing we are going to talk about:</b>	
Welcome to the council!	Introductions and new members were given a presentation on what it means to be a member of the school council.
Discussion about the new classes/groups.	<p>The council gave their views on the new classrooms. Those in the classrooms with the media walls said that this was a big improvement and their classrooms felt less cluttered. They said that the media walls help to keep their classrooms tidy.</p> <p>Pupils discussed the different zones in school and whether the groupings were working. Some pupils said they would like fobbed doors on the exterior mobiles so that other pupils could not just walk into the buildings when they should be in their own class.</p> <p>The council also discussed the outside space and suggested that the bushes were trimmed. This</p>

	<p>would help with the football games as some of the balls were being burst or lost in the bushes.</p> <p>The council also discussed the new Computing Suite and reported that this was more effective than the laptops for their Computing lessons. They said that there needs to be a Computing teacher who is permanent so that they can take ownership of the room and make sure that it is looked after.</p>
Next meeting - Christmas planning	The council are going to discuss with their classes about arrangements for Christmas.
<b>Would anybody like to mention anything else?</b>	
	
<b>Date of next meeting?</b>  <b>Autumn 2</b>
