Are these minutes OK?			
Yes			
First thing we are going to talk about:			
Welcome Mr Hart		The school council welcomed their new chair Mr Hart. Mr Hart explained his role and asked the council what they liked about being a member. They discussed changes they have made to the school and future ideas and where they see the council developing.	
Members		The council discussed re-electing in some classes as some classes did not have representatives that attend on a regular basis. They said they think they need to advertise the roles more and let others know what is involved in being a school counsellor. They also discussed getting new badges so others can identify the school counsellors	
Would anybody like to mention anything else?			
Uniform		Pupils discussed why we have school uniform. They spoke about the pros and cons and why some pupils do not wear the correct uniform. They decided they are good role models and should show others why we wear a uniform.	

Date of next meeting? 09/02/2024	Pupils have new books to use in class to keep track of their ideas and other pupils views.
