Yes	The council checked and agreed that the minutes of the last meeting were correct.
-----	---

Are these minutes OK?

All in agreement.

First thing we are going to talk about:

Attendance

Yan - Safeguarding - children to be aware of what has happened so they feel safe to come to school. Promote safe, ready respectful so that it is more visible around school.

Social Media - attendance videos on Dojo to show how much attendance matters. Student council to create a video focussed on the importance of attendance.

Logan - Look into the attendance patterns and focus on activities to motivate the class to attend on particular days.

Ethan - reward attendance with trips. Be mindful of children that are off because they are genuinely ill

	<p>as it's not their fault they are off so they shouldn't miss out on a trip. Could we base it on children who have above national average attendance?</p> <p>Carter - An online learning platform for those children that are ill but don't want to spread their illness around the school.</p>
Would anybody like to mention anything else?	
	<p>Reading culture - reading buddies - have a vote around school. Library plans to be shared at the next meeting.</p> <p>Carter - Could we introduce new lessons such as Music - if not in the lesson, could this be a social?</p> <p>Food tech room - can a member of staff look after it? New utensils and everyone to be reminded to clean after themselves.</p> <p>Logan - could we make better use of our outdoor space? Could we use the space behind Newton? Gardening social would be good.</p> <p>TAKE AWAY TASK - discuss reading across school - how can we make it better?</p>
Date of next meeting?	03.05.2024
