Thespians in Anderson

Anderson have been studying Macbeth in English this week. Well done Shaye, Louis, Jack and Drew for giving the class great performances and insight into your characters!

Harvey in Daley

Harvey in Daley has completed all lessons this week! WHAT A STAR!

Sportsperson of the Week

Our sports people of the week this week are.....

Lower School- Josh Don

Upper School- Joe Santangelo Jones

Well done!!

Please see Mrs O'Connor for your prize.

Web Building

Bobby G has been working hard to learn how to build web pages.

Rosie in Daley has really challenged herself this week within her maths work. She has made outstanding progress and is determined to complete work, as well as go above and beyond! Keep it up !!!

Well done to Lilly who has annotated a poem, 'Daffodils' and explored the meaning

Well done to Yasin and Freddy in Watson solving problems with frequency trees

Rosie in Daley

Taylor is using geometric and organic shaped backgrounds for his research page. I can't wait to see it finished.

Ethan in Daley

Ethan M has produced some magnificent work in our 'World Around Us' work recently. He is a fountain of knowledge with our latest topic!

Chocolate chip cookies

Well done to Millie, Jacob and Will for learning to cream butter and sugar by hand and making these delicious cookies.

They only made half of the cookies, so that they had cookie dough to take home.

Kieran in Watson created a wonderful newspaper article in English this week

David has been working on Frequency Trees this week.

Lloyd has been investigating circuits in Science this week.

Lewis R has written a fantastic atmospheric story this week.

Daley

Daley were brilliant during a Science investigation this week as we learned about magnetic objects.

We have some serious Scientists in our classroom!

Amazing work Josh, Harvey, Rosie, Harley, LJ and Ethan.

Ruby has been working well in art clubs this week creating this masterpiece! Well done!

Millie has used water colours, paint pens, and brown card to create her design. It's amazing.

Parks - PHSE

This week the class wrote responses to a problem page relating to drug and alcohol abuse. Great work from Fin, Logan and Adam.

Will used Earth tones for his background and bright, geometric patterns as decoration.

They are working on designing their pages using inspiration from the art they are researching.

Jacob's research pages

They have been using good vocabulary about colour, pattern and composition.

Seth is making excellent progress in Geography. He was able to independently analyse and compare these population pyramids.

Great analysis of population pyramids from Arran!

More great work from Jack in travel and tourism. He is already on his third workbook of the year!

Fantastic work from Libby this week in her travel and tourism lesson. I love how creative she is with her notes!

Parks at the Sensory Shack.

Adam and Logan looking to set up a new band. Just need a lead singer now. Any takers?

Breakfast muffins made by Hamilton pupils. I'm lovin it

Anderson cooking

Libby, Jack, Shaye, Drew and Louis made some fanatic flapjacks on their first cooking lesson with Mr Beattie and Mrs Lockwood. Well done all.

PE

Nathan investigated organised sports in the area, he found that the oval leisure centre was a hub for many sports if anyone would like to participate

Indoor Activities

The oval leisure centre. The Oval leisure centre, commonly known as "The Oval" offers indoor activities, from swimming in a large pool, to cardio and weight activities in their gym.

PE

Well done Bobby C, he was investigating performance enhancing drugs, what their effect is and the consequences of taking them

Performance enhancing drug	What performance effect does it have	How are you affected by the drug?	What are the consequences of testing positive?
Weed / Marijuana	Although marijuana is prohibited by the World Anti-Doping Agency, there's no scientific evidence that it can make people bigger, stronger or faster athletes	Pain tolerance is higher so you won't be able to feel as much so you can push yourself further. They control mood, movement, appetite, pain and sensation, memory, and perception.	Get your contract taken away Get arrested if not legal in your country The use of cannabis by athletes has been banned by many sports commissions. However, some have relaxed their policies as societal attitudes towards its use have shifted. The prohibition "is one of the most controversial issues in anti-doping"
Cocaine	Regularly used coca leaves to give them extra energy as they made their way through the high altitudes of the Andes Mountains. Incan runners who would sprint many miles between mountain towns to deliver important messages	<ul style="list-style-type: none"> happy excited wide awake confident on top of your game <p>It can also:</p> <ul style="list-style-type: none"> make your heart beat faster raise your body temperature - so you feel hot stop you feeling hungry make you feel sick make you need to poo make you anxious and parley make you paranoid 	An athlete in football had his ban for testing positive for cocaine extended from six to 14 months.

Winner - the man in the golden suit

Brayden got to wear the golden suit for his birthday and won the second race. Well done Brayden. Jayden came second and Millie third. Ms Q's still upset she didn't finish in the top three!

Sam also came top of his group. Awesome driving everyone.

Reading rewards trip - go karting

We had an amazing time go karting. All pupils were perfectly behaved. A big shout out to Sam and Liam who took lots of time to explain to Ms Q how to drive a go kart - brilliant advice! To get on this trip in the future, make sure you are reading enough to get into the top ten.

Parks - ASDAN Gardening

The class completed one of their ASDAN tasks by making a miniature replica of a garden. Great effort by Adam, James, Fin, Logan, Lewis, Seb and Paige.

Fantastic independent work from Braden, Ruby, Joe and Olly making burgers in cooking this week. You are all making fantastic progress, well done!

Pshe

Well done Paige, organising the reasons why young people wouldn't take drugs
