**WAU**

Great work from Nathan identifying how we can look after the environment 🌱🌊

## How I protect the environment.

**How I recycle.**

- I sort cardboard into my grey bin outside, and plastics and other items into the green bin.

**Waste.**

**Thank you to Liv who helped clean the fish tank**

**PE**

Well done Oscar creating a profile for a sports athlete, I like how you got his signature in the profile

## PE

Well done Ryan, great research looking at common sports injuries and how to prevent them.

**Anderson's Amazing Art**

## Reading Time

Can you guess the mystery reader from Storey. Thanks to Leon for the recommendation 📖

**ASDAN food tech. Hamilton have been comparing fresh recipes to the ready meal equivalent. They have also been working on garnishes.**

### **ASDAN Sport**

Cameron Mc Nulty has investigated how the marathon world record has improved over time

## Marathon world record

The original time was 2:55:18.4

The current world record is 2:01:09

### **ASDAN Sport**

Dylan Beckett has investigated bowling speeds in cricket

## Cricket fastest bowl world record

The first recorded fast bowl I could find was in 1975 with the West Indies against Australia in Perth. In fact two world record bowls were recorded in these matches. The slightly slower one was by Andy Roberts for the West Indies by bowling 99.1 mph. This was marginally beaten by Jeffery Thomson for Australia with 99.8 mph.

Jeffery Thomson (left) bowled 99.8 mph in 1975

## ASDAN Sport

Storey class have been working hard on their Sport ASDAN. Here is some of Leon's work on how world records have changed over time.

### Eliud Kipchoge

Eliud Kipchoge is the world record holder in the marathon with a time of 2:01:09 set in Berlin Marathon 2022

## Parks - Food Tech

The class made spaghetti bolognese this week. Some great teamwork shown in the kitchen.

## Library Time

Leon getting comfortable to read his next book

## Parks cooking continued...

**Pupils need to be in everyday, on time and ready to work**
