

## Dance

First dance session with pupils at the Leasowe site.

## Computer Science

Well done to Jake in Castner who has been working hard on our new topic cyber security

Well done to Lilly, Kieran, Mason, Abby and Freddy who made chicken stir fry and were very sensible in the kitchen

## Weightlifting

Well done to Dylan and Kenzie who set new personal best totals in weightlifting.

## Daley

Brilliant resilience from Alissa, Rosie, LJ and Ethan in Daley yesterday spending the day in school working hard for their SATs.

## Computer Science

Well done to Ruby and Ollie in Newton working on components of a computer. We found these glasses are actually a computer system

## Well done to Taylor, Ellie, and Jacob for working hard in maths

They have shown great resilience when working on challenging maths.

## Well done to Will for working hard in lessons that are not his favourite.

Many of us find it difficult to work hard when we don't feel we are good at something or do not enjoy it as much. Will has shown great learning skills by working hard in lessons he does not enjoy as much as others. Well done Will.

## Top Ten Quizzes Past

- Connor - 77
- Braden L - 46
- Liam C - 39
- Sam H - 35
- Jacob K - 34
- Jayden OD - 33
- Yasin & Harley - 30
- Shaye - 29

Well done to everyone on the list. Please remember that you should only take quizzes for books you have just read. Anyone found taking quizzes for books they read a long time ago will be disqualified.

## Top Ten Words Read List

- Shaye
- Ellie
- Millie
- David M-C
- Joe SJ
- Jack C

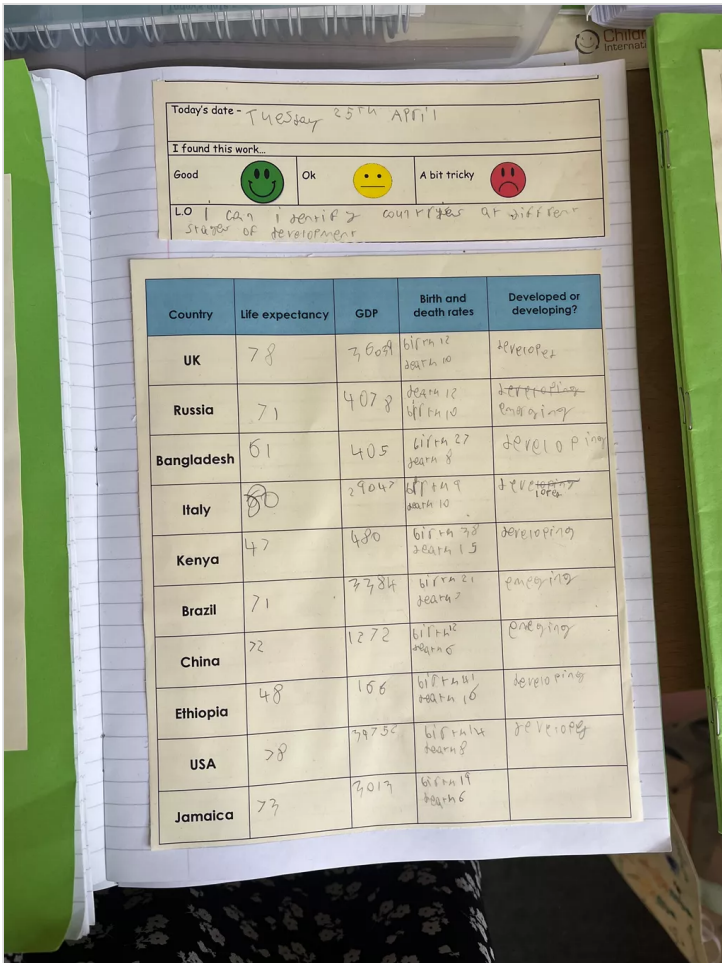

Connor W  
 Will HP  
 Freddy F  
 Cole

Ryan has just been bumped to 11th place. Can he read another 10 books to catch up? We shall see next week.

We had a fantastic discussion in Parks this week about developing and developed countries. Well done to James, Logan, Seb, Adam, Lewis and Paige for their effort!

Some fabulous examples of Geography work on our wow wall this week. Well done to Seth, Jake and Arran for these great examples of work.

Well done to Jake, Arran and Kenzie for making it onto the perfect attendance wall for this week! A massive well done to Jake for the huge improvement in his attendance and work!

**Adam - Parks**

Adam has continued to work really hard in his 1:1 literacy sessions with Miss Rahman. This is great to see and is having a positive impact on his overall learning.

## Anderson- English

Jack and Shaye began looking at and attempting exam style questions in their English lessons this week. Another shout out goes to Drew for catching up to the rest of the class with his poetry analysis all in one lesson. Excellent work from all of you this week.

## Castner- English

Castner have been looking at creating a persuasive speech focusing on persuasive techniques this week. Well done to Arran, Jake and Kenzie for your work this week!

## Anderson- Cooking

Anderson attempted to make omelettes this week. Well done to Louis and Shaye for your effort and perseverance. Special shout out to Chef Libby for helping Mr Beattie to make his first omelette.

**Wesley has be studying coats of arms this week.**

**working hard to create his portrait page**

**Curie have been taking self portraits for their art project.**

I love the collage Millie has created for her portraits.

**Alex started his NICAS climbing award today. He's already achieved two steps to get his Level 1.**

## Daley

Daley had a wonderful Science lesson this week focusing on gravity. A huge well done to Alissa, Ethan, LJ, Rosie, Josh and Lacey.

**Ruby and Olly have worked impressively hard in their maths lessons this week. Well done both of you!**

**Lloyd, Mason, Yasin, Freddy, Kieran and Lily created exploding buboes in History this week. Well done!**

**Lewis has been studying Medieval armour this week.**

**Jayden O went Horse Riding this week.**

**Cowboy Reynolds was a natural on his steed!**

**Drew and Tommy made amazing peri peri fried chicken burgers 🍔**

## Year 10 pupils extracted DNA from a kiwi 🥝

## Year 10 pupils learning about DNA 🧬 base pairing in science

## Egg-citing news

On Monday Parks class learnt all about the different ways of cooking eggs; poached, scrambled and omelette (cheese and ham).

Congratulations to Fin and Logan for star Chef's and cleanest station!
