

## Key Stage 4 Art

In Key Stage 4 pupils have the opportunity to take art at GCSE Level.

They:

- become confident in taking risks and learn from experience when exploring and experimenting with ideas, processes, media, materials and techniques
- develop critical understanding through investigative, analytical, experimental, practical, technical and expressive skills
- develop and refine ideas and proposals, personal outcomes or solutions with increasing independence
- acquire and develop technical skills through working with a broad range of media, materials, techniques, processes and technologies with purpose and intent
- develop an awareness of the different roles and individual work practices evident in the production of art, craft and design in the creative and cultural industries

Pupils study towards a WJEC GCSE in Art and Design.
